(*b*) the number of Muslim Graduates who have obtaimed Degrees from the Mysore University from 1941 (number for various Degrees to be given separately) ;

(*c*) the number of Licentiate Engineers and Doctors who have received Diplomas from the Mysore University from 1916 to 1941 (Muslims and Non-Muslims to be given separately) ?

THE SECRETARY TO GOVERNMENT, GENERAL DEPARTMENT (Mr. J. Appaji Gowda).—

*A*.—(*a*) Figures from 1918 to 1940 inclusive are furnished in the statement placed on the table. (*Vide* Appendix).

(*b*) Do do

(*c*) L. M. P. Total No. ... 429
Muslims ... 20
Non-Muslims ... 409

Ever since the transfer of the School of Engineering to the control of the University in 1939, no Muslim has taken the Diploma in Engineering and the number of non-Muslims taking the Diploma is 27.

MR. K. R. THIMMADASIAH (Chiknayakanhalli—Urban).—

*Q*.—39. Will the Government be pleased to state :—

(*a*) the estimated amount for the construction of Ankasandra tank in Chikmayakanhalli Taluk ;

(*b*) the number of acres of land that may be brought under cultivation if the tank is constructed ;

(*c*) whether the raiyats have not agreed to pay a contribution of Rs. 100 per acre ;

(*d*) the reason for the orders of Government to stop the construction of the tank ;

(*e*) whether it is possible to construct a small tank so as to irrigate about 300 to 400 acres of land ;

(*f*) whether these are not many agricultural facilities available round about Ankasandra and at the same time, whether it has not come to the notice of Government that raiyats are not settling near Borankanive tank on account of malaria ;

(*g*) the number of acres of land remanining uncultivated in the Borankanivekere atchkat ?

THE SECRETARY TO GOVERNMENT, PUBLIC WORKS DEPARTMENT (Mr. M. G. Mehkri).—

*A*.—(*a*) Rs. 1,10,000.

(*b*) 648 acres.

(*c*) There is no mutchalika executed by them to this effect

(*d*) It would adversely affect the Boranganive reservoir as well as Jodi Thimmalapura major tank.

(*e*) No ; as there will not be sufficient supply to tanks below.

(*f*) Yes ; but this does not arise in view of the foregoing answers.

(*g*) 529 acres out of 1,514 commanded by the reservoir.

MR. S. ANNAPPA SETTY (Chikmagalur—Urban).—

*Q*.—41. Will the Government be pleased to state :—

(*a*) the districts and the circumstances under which coercive measures such as attachment of crops, haystocks, cattle and moveable

properties, etc., were taken during 1920-21, 1930-31, 1940-41 to collect the arrears of land revenue;

(*b*) (i) during 1918-19 in how many cases were the arrears of more than a year outstanding in Chikmagalur taluk;

(ii) will it be possible to give full details of the action taken in every case to recover the dues;

(*c*) during the above three years, in how many instances were the notices and auction notifications served on hiduvalidars and khatedars in person and in how many instances were coercive measures taken without serving such notices and auction notifications?

THE CHIEF SECRETARY TO GOVERNMENT (*Rajasevaprasakta* B. T. Kesavaiengar).—

*A*.—(*a*) In all the district coercive processes prescribed by law have been adopted uniformly for recovering arrears of revenue.

(*b*) (i) and (ii) Information is not available as the concerned sale records are reported to have been destroyed.

(*c*) The information relating to the years 1920-21 and 1930-31 is not available as the concerned records have been destroyed. Even as regards 1940-41, the information is not readily available as it has to be compiled by scrutinising each record.

MR. M. H. NARAYANA RAO (Molakalmuru—Rural).—

*Q*.—43. Will the Government be pleased to state:—

(*a*) whether they have sanctioned a drainage scheme for Molakalmuru Town, as malaria is prevalent there due to the absence of a proper drianage scheme since the introduction of the scheme of water-supply through pipes;

(*b*) when was the scheme sanctioned;

(*c*) the estimated cost of the scheme;

(*d*) is it a fact that the Municipality and Government have agreed to share the cost equally;

(*e*) the amount of work turned out annually with the approximate cost incurred thereon so far;

(*f*) out of the amount spent till now, what is the amount contributed annually by the Government and the Municipality;

(*g*) the estimated cost of the work still to be done;

(*h*) is it a fact that the contractors have stocked materials at the spot for completing the remaining work;

(*i*) whether it is a fact that the Municipality has offered to pay the remaining portion of its quota of contribution in full and has also requested Government to complete the work and obviate the unhealthy condition of the town;

(*j*) if so, what is the action taken so far in this respect;

(*k*) if no action has been taken, the reason for the same?

THE SECRETARY TO GOVERNMENT, LAW DEPARTMENT (Mr. H. V. Narayana Rao).—

*A*.—(*a*) Yes; but the prevalence of malaria is not due to want of drainage alone.

(*b*) During the year 1938-39.

(*c*) Rs. 11,093.

(*d*) The Government contribution was fixed as Rs. 5,093, the balance of Rs. 6,000 being borne by the Municipality.
